ARIZONA PSYCHOLOGICAL
ASSOCIATION

WHO ARE WE?

The AzNS was formed in 2009 by a group of neuropsychologists in Arizona. Our organization is designed to be a forum for education, discussion and networking, among practitioners of those scientific disciplines that can contribute to a greater understanding of brain-behavior relationships, in general, and of neuropsychological disorders, in particular.

WHAT DO WE DO?

Our goal is to hold quarterly meetings, and to provide scholarly presentations on topics relevant to the practice of neuropsychology and related fields.

WHO CAN BECOME A MEMBER?

Membership is open to four classes of individuals:

- (1) Regular,
- (2) Associate,
- (3) Affiliate/Student, and
- (4) Emeritus/Senior.

Regular members shall hold an earned doctorate in psychology or related fields, have been granted an Arizona license to practice psychology, and/or are involved in teaching, research or clinical practice in the field of neuropsychology.

Associate members shall be individuals licensed at the independent practice level in allied professions (e.g., Medicine, Speech/Language Pathology, Occupational Therapy, Physical Therapy, etc.).

BENEFITS OF BEING A MEMBER OF AZNS

- Ψ Affiliation and collaboration with colleagues
- Ψ Continuing education credits (Category I) available through the Arizona Psychological Association, an approved organization of the American Psychological Association.
- Ψ Opportunity for members to list their practices within our membership directory, which will become available to the public for contact and referrals.

COST OF MEMBERSHIP

Dues are:

- Ψ \$45 per year for Regular and Associate members, and
- Ψ \$20 per year for Students and Emeritus/Senior members.

HOW TO GET AN APPLICATION
